

ACID Magic®

The **User Friendly** Muriatic Acid!™*

The Acid That Won't Burn Intact Skin!

ACID Magic is a full strength muriatic-based product formulated to ship, use, and store easier than standard muriatic acid. This revolutionary blend of proprietary ingredients offers the cleaning and pH reduction of powerful acids while providing increased usability.

USES:

Pool and Spa*:

- Adjusts pool and spa water chemistry.*
- Extremely effective acid wash.
- Cleans filters, chlorine generators and meter electrodes.

Paint Preparation and General Cleaning:

- Use to etch concrete in preparation for painting.
- Removes efflorescence from masonry.
- Cleans excess mortar from brick and cinder block.
- Removes rust, scale, mineral build-up, and stains.
- Cleans vats/tanks, lines in food and beverage plants.
- Cleans tile and porcelain in restrooms and locker rooms.
- ACID Magic has many other uses, too!

FEATURES:

- Up to 90% less fumes than traditional muriatic acid.
- Buffering agents prevent burns to intact skin.
- Clean and clarify like full strength 20° Baume, 31.45%, muriatic acid*.
- Use ACID Magic exactly as you would standard muriatic acid.

BENEFITS:

- Reduced fumes equal a better working environment. Also, less corrosion to storage areas, pump rooms and equipment.
- Quarts and gallons ship ORM-D.
- Eliminates the risk of burns to intact skin.
- Less fuming means less evaporation of acid into the air.
- ACID Magic has all the strength of standard muriatic acid, but with less harmful effects.

ACID Magic Description

ACID Magic Description	Order#
15 x 1 Quart Case	USA/32
4 x 1 Gallon Case	USA/128
5 Gallon Drum	USA/5G
15 Gallon Drum	USA/15G
30 Gallon Drum	USA/30G
55 Gallon Drum	USA/55G
275 Gallon Tote	USA/275G

Truckloads and totes by special order only. Gallon and quart cases ship via UPS and FedEx, and are classified ORM-D. ACID Magic will not burn intact skin, but proper eye and hand protection is required. Do not allow contact with mucous membranes (eye, nose, and mouth).

***ACID Magic should not be used to aid or effect any pool disinfectant product or other water modifier.**

ACID Magic[®]

The User Friendly Muriatic Acid!^{™*}

Description:

ACID Magic is a user friendly muriatic acid* which combines a buffer with hydrochloric acid, making the acid easier to use. This product offers the advantages of powerful acids while significantly improving the overall health and safety risk profile.

Intended Use:

*Pool and Spa**

Adjusts pool and spa water chemistry.* Apply ACID Magic as an acid wash to remove rust, scale, mineral deposits, and stains from glass, tile, and porcelain surfaces in showers, locker rooms, and restrooms.

Concrete and Masonry

Use to etch concrete in preparation for painting. Cleans exterior brick and concrete surfaces. Removes excess mortar from brick. Cleans stone and grout. Brightens walkways, patios, and driveways. Cleans efflorescence.

Food/Beverage

Use in acid baths/washes. Cleans lines, vats, tanks, etc. ACID Magic is certified Kosher and registered NSF.

General Maintenance

Removes calcium and other mineral stains from water heaters, cooling towers, tubs, toilets, and showers. Removes rust, mildew stains, scale, and mineral build-up. Excellent as an acid wash and effective filter cleaner. Use to etch metal surfaces in preparation for painting. Removes mineral buildup from water fountains. ACID Magic has many other uses, too!

Product Specifications:

pH Concentrate: Less than one.

Shelf Life: 5 years.

Disposal: Dispose according to all local, state, and federal regulations.

Product Capabilities:

ACID Magic reduces noxious fumes by up to 90%. It will not burn intact skin or protein of the body. By reducing the risk of acid burns and toxic fumes, it allows for easier handling, transportation, and storage. Due to reduced fuming, there is less corrosion to metal structures, including storage areas, pool equipment, and filtration systems. ACID Magic is as effective upon oxides of metal when compared with standard muriatic acid.

Application:

For general cleaning and etching, add 1 part ACID Magic to 4 parts water. Certain applications require weaker solution. Always check an inconspicuous area. For pH adjustment, consult a local pool and spa* professional for proper dosage. Use at the same rate as standard muriatic acid. Use caution when using on aluminum or metal plated products as damage may occur. For detailed instructions, visit ACID Magic on the web: www.Certol.com/ACIDMagic

Use Precautions:

Contains hydrochloric acid. Keep out of sun and away from heat. May cause severe burns on contact with eyes and mucous membranes. Avoid possible vapors. **Always provide active ventilation when working with ACID Magic.** Use of an acid vapor respirator may be necessary in enclosed areas. Do not take internally. Keep container closed.
