

POWERHOUSE[™]

Super Hi-Foam Concentrate

FEATURES AND BENEFITS:

- Extra foamy formulation lubricates the surface as it cleans.
- Versatile vehicle soap that effectively loosens dirt, road grime and grease.
- Great in foaming brush and automatic friction applications.
- Neutral pH formula rinses clean, leaving no streaks or residue.
- Gentle on automotive finishes, yet effective on dirt, soils and grease.
- Highly visible foam lets customers know it works.
- Can be used in hot or cold water systems.

INTENDED USE:

Powerhouse is an excellent foamy vehicle wash soap used in coin-op brush and automatic friction systems. This versatile formula can also be used in tunnel and hand wash applications.

Super Hi-Foam Concentrate Description
